The screenshot displays a web application interface for a contact form. The top navigation bar features a promotional banner for 'SALE 70% OFF ALL PRODUCTS' with a 'GET SAVINGS NOW' button. Below the banner, a dark header contains a phone icon, the text 'Call us now 0123-456-789', and links for 'Contact us' and 'Sign in'. The main content area has a logo 'Your Logo a new experience', a search bar, and a shopping cart icon labeled 'Cart (empty)'. A category menu includes 'WOMEN', 'DRESSES', and 'T-SHIRTS'. The 'Contact Us' form is titled 'CUSTOMER SERVICE - CONTACT US' and is styled to look like an envelope. It contains fields for 'Subject Heading' (a dropdown menu), 'Email address', 'Order reference', and a large 'Message' text area. A 'Send' button is at the bottom. The first instance shows the form with default values. The second instance shows the form filled with test data: 'Subject Heading' is 'Customer service', 'Email address' is 'ramesh.koria@outlook.com', 'Order reference' is '1', and the 'Message' is 'Hi this is Ramesh here!'. A 'Choose File' button is also present next to the 'Attach File' label.
