The screenshot displays a web application interface for a contact form. The top navigation bar features a promotional banner for 'SALE 70% OFF ALL PRODUCTS' with a 'GET SAVINGS NOW' button. Below the banner, the header includes a phone number '0123-456-789', 'Contact us', and 'Sign in' links. The main content area shows the 'Your Logo' and a search bar. A category menu at the top lists 'WOMEN', 'DRESSES', and 'T-SHIRTS'. The 'Contact Us' form is titled 'CUSTOMER SERVICE - CONTACT US' and is styled to look like an envelope. It contains fields for 'Subject Heading' (a dropdown menu), 'Email address', 'Order reference', and a large 'Message' text area. A 'Send' button is located at the bottom of the form. The first instance of the form shows the initial state with a dropdown menu set to '-- Choose --'. The second instance shows the form filled out: 'Subject Heading' is 'Customer service', 'Email address' is 'ramesh.koria@outlook.com', 'Order reference' is '1', and the 'Message' text area contains 'Hi this is Ramesh here!'. A 'Choose File' button is also visible next to the 'Attach File' label.
